

# Trio Ellas

## Band Bio

Latin Grammy® nominated sweethearts of Los Angeles, Trio Ellas has been making waves with a unique concept. Their sound is a result of years working with traditional mariachis blended with each members' own personal musical background. There are elements of jazz, pop, country, as well as vocal harmonies reminiscent of the Andrews Sisters era. They describe themselves simply as "three chicas exploring the music we can make with a violin, a guitar and a guitarron.
